Experience

Stash
VP, Brand + Creative
2017-20

Helped bring the fintech startup from 1 to 5 million customers, while leading their in-house agency and studio—a highly talented team of 15 working across strategy, design, copy, social, animation, and video. Wrote and designed investor presentations that brought in over \$100M in funding.

Carrot
Design Director
2014-17

Head of Design at VICE's digital creative agency—leading a team of 25 multidisciplinary designers across two offices. Building product for VICE and working across all clients including Adult Swim, NBA, New York Yankees, and Target—while specializing in campaign creative, branding, illustration, animation, 3D, and product design.

Complex
Associate Design Director
2011-14

Co-led Complex's brand partnerships design team across two offices—specializing in unique brand collaborations across product, events, and branded content. Clients included Mountain Dew, Pepsi, McDonald's, Levi's, Nike, and more.

Fueled By Ramen
Designer / Engineer
2007-11

Sole designer and engineer for Atlantic Records-owned, Fueled By Ramen. Worked across all aspects of artist and campaign development—resulting in 20+ gold and platinum albums and singles. Artists included Paramore, Panic! at the Disco, Fun, Phantom Planet, Gym Class Heroes, and more.
